Permit Application Instructions

Please submit the **Permit** form to the Sanitary District for signature by a District Commissioner. Upon approval by signature of a District Commissioner the **Permit** will become effective.

When you submit the Permit form be certain to submit the following with it:

1. Information completed through “description of work to be performed” printed legibly in black or blue ink
2. A check for \$5000 made out to Sanitary District No. 1 Towns of Rhine and Plymouth
3. Three SCALE site plan drawing copies which show the location of the lateral (s)
4. Contractor’s Certificate of Insurance
5. Contractor’s Bond (if road work is part of project)
6. Permit form signed by plumbing contractor and property owner

After all of the above has been received the District will review the project and submitted materials, and will then execute (sign) the permit if it is approved. **No work is to be performed without an executed permit.**
