

GARBAGE COLLECTION CHANGES

Effective Aug 1, 2020

The District will be switching to an automated cart system which is safer for the employees. Also, the District will see less of an increase in the cost of garbage collection by switching to an automated cart system.

We are pleased that the new Advanced Disposal contract is on the cutting edge of new technology to recycle and haul wastes. The biggest change you will note is that all waste will need to be placed in 95-gallon carts. Similar to current regulations, the wastes must be separated into recyclable materials and garbage. We recommend placing garbage in bags in the carts. Recycling should be placed loose in the cart with the blue lid.

The carts will be at no cost to residents. All residents will be given two color coded carts: blue top = recycling and gray top = garbage. If you need any additional carts, they can be purchased for an annual fee through Advanced Disposal, 920-458-6030. Carts will be distributed to residents the week of July 26th, 2020 Starting with the August 3rd, 2020 being the first pickup with the new carts

Carts should be placed for pickup by 7:00 a.m.

- Your cart should be within 18 inches of the curb with the arrows on the lid pointing to the street/curb. Carts cannot be placed on the street. If there is snow, please clear an area in the terrace, or leave the carts at the end of your driveway.
- To avoid damage to property, place the cart at least three-feet away from mailboxes, lampposts and other fixed objects.
- Place your cart on as level a surface as possible, but away from low hanging tree branches.
- Place carts at least three feet away from each other.
- Close lids prior to pick-up. Lids should be closed on the carts for driver identification and in order to stop material from spilling or blowing away.
- Carts not properly placed will be tagged and not picked up.
- **Only Advanced Disposal Carts will be emptied**

Materials	Place in Which Cart	Other
Glass containers, aluminum cans & foil, tin & steel cans, plastics #1-7, newspapers, junk mail, magazines, cardboard, office paper, fiberboard (cereal & shoe boxes), phone books, books, and metal	Blue Cart	All recyclables must be placed in the blue cart. No loose items will be picked up.
